

"ATANNUOLOGY"/PRE-DYNASTIC EGYPT

exoterically the "pre-historic" mysterious "stone age" era of **Ancient Egypt/Kemit** before the **Dynastic Period** inhabited by the aboriginal **ANU PEOPLES** is spectacularly into the center of debate with the **DE LUBICZ water marking theory** and the recent 1991-94 reported scientific reports that the natural limestone rock sculpture the **SPHINX/HU** when geologically assayed using sonar and **archaeoastronomical** assisted computer analysis was built between 5,000 to 10,500 BC; with the "Riddle of the Sphinx" being what "lost civilization" built the **GIZA ROCK PLATEAU COMPLEX** monument and why; now being properly addressed by such "multi-disciplinary" writers as **John A. West** (in *Conde Nast Trader Magazine*); University of Boston geologist **Robert Schoch** (in *Omni Magazine*) and **archaeoastronomical** researchers **G. Hancock and R. Bauval (The Message of the Sphinx)**; and
