

ANU PEOPLES, ANU NATIONS, ANU TRIBES

exoterically according to **conventional Egyptologists** and ironically **black Afro-Centrist Egyptologists** the **ANU PEOPLES** were insignificant Nile River Valley "stone age" peoples; and esoterically collectively the **4 aboriginal black African peoples** living along the **Nile River** as follows:

- **ANU ANTIU** ___ of the country of **KHENTHUNNEFER** the Biblical **GARDEN of EDEN** and **Ta Neter** ("Land of the Gods") around the **Nile River Great Lakes** of Central Africa of today's Zaire, Rowanda, Burandi; the **Fur People** of Dafur Province, Sudan;
- **MEROE** ___ living around **Nile River cataract 6 to 8** between the **Atbara River** tributary and the **Blue Nile River** tributary comprising the **Lake Tana** area of ancient "low lands" of Abyssinnia/Ethiopia" legendarily distinct from the "highlands of Ethiopia" called then **SHEBA** and location of what **HERODOTUS** cited as the **TABLE OF THE SUN** then and today the world's largest irrigation farming area **and** thus also part of the Biblical **GARDEN OF EDEN** using **SUSTAINABLE AGRI-FORESTRY**;
- **KUSH** ___ living around the **Nile River cataracts 3 & 4** in what is today **Sudan**;

- **NUBIA (ANU SETHET)** ___ living along the **Nile River cataract 2** to the **Nile Delta**, the black African "**NUBIAN/ANUBIAN**" people surviving in today's Sudan and location of the Biblically cited **GARDEN OF EDEN** located at **LAKE MOERIS** as part of the **Fayum Depression** and man made canal that fed it from the **Nile River**.

Sometime during the **Predynastic-Human Period** the **Egyptian Federation of Tribal Nations** called the "**NINE BOW**" was implemented by and founded upon the backbone of the **4 Black African ANU PEOPLE**; and was the military and socio-political economic foundation of **Ancient Egypt/Kemit** comprised of nine (9) multicultural, multi-racial tribal nations initially united by common bond to the **Ancient Egyptian Mystery SCHOOL OF ON (ANNU)** and the wondrous **ANNU CULTURE** of **Ancient Egypt/Kemit**.

Esoterically over the **Predynastic and Dynastic Periods** of **Ancient Egypt/Kemit** these four (4) peoples, nations and/or tribes aboriginally together operated as "**One Supra-Nation Under The Godhead ANNU**", each with a specialized **National Security Function** carried out by **Ancient Egyptian Mystery SCHOOL OF ON (ANNU)** Graduates the **SUN PEOPLE** who kept the "**NINE BOW**" **FEDERATION** operational for over 8,000 years through countless invasions, wars, civil wars and natural disasters as follows:

- 1.) the **ANNU ANTIU (KHENTHUNNEFER (the Great Lakes of Nile River))** were aboriginal recipients of a.) cosmogonic, cosmographic, cosmic-chronological and cosmic history; b.) meta-socio-political economic science, meta-physical science, meta-biological science, meta-spiritual and "HU-manistic" ontological knowledge via all 42 **BOOKS OF THOTH** from the **TWA PEOPLE**; and c.) surviving members known today as the **Fur People** of **Dafur Province**, **Sudan** and the mysterious **DOGON"/DOG-ANU PEOPLE** of **Mali, Africa**;
- 2.) the **MEROE (cataracts 6 - 8 of the Nile River in Sudan including Lake Tana of SHEBA/Abyssinia today called Ethiopia)** were the aboriginal recipients of meta-commercial and economic science via the relevant 42 **BOOKS OF THOTH** from the **TWA PEOPLE** maintaining a.) the largest **GARDEN OF EDEN/SUSTAINABLE AGRI-FOREST** then called the "**TABLE OF THE SUN**" by **HERODOTUS** based commerce; and b.) producing and trading products to and from the other tribal nations and nations of the world via land route camel caravan and ocean route star map guided ships; and c.) today's black Africans around **Lake Tana** in **Southern Sudan** and "lowlands" of **Ethiopia**;
- 3.) the **KUSH (cataracts 3 & 4 of the Nile River. which ancient historians like Herodotus called "Ethiopia", today called the Sudan)** were the aboriginal recipients of a.) meta-governmental, diplomatic and b.) military sciences via the relevant 42 **BOOKS OF THOTH** from the **TWA PEOPLE**; including the having the best infantry and specialized troops, commanders, strategy and military hardware; and c.) today's black Africans living in the **Sudan**;
- 4.) the **ANU SETHET or "aNubians" (Nile River Delta through cataracts 1 & 2)** were the aboriginal recipients of the **meta-spiritual, meta-educational and meta-cultural arts and sciences** plus the balance of the 42 **BOOKS OF THOTH** from the **TWA PEOPLE** including: a.) the establishment and security of the **Ancient Egyptian Mystery SCHOOL OF ON (ANNU)** and its **Priesthood and Priestesshood**; b.) the protection and teaching of the School's 42 curriculum **BOOKS OF THOTH**; c.) the operation of the **ATEN PATH** spirituality system; d.) the creation of a "**social religion**" for the masses based on the **Sun God Ra** and e.) maintenance of the **Ancient Egyptian Mystery SCHOOL OF ON (ANNU)** campus and classrooms and spiritual **ATEN PATH** initiation supra-structure at the **GIZA ROCK PLATEAU COMPLEX** including the **SPHINX/HU** natural rock sculpture and the **3 GREAT PYRAMIDS** as well as operating as part of the Biblically cited **GARDEN OF EDEN/SUSTAINABLE AGRI-FOREST** located at **LAKE MOERIS** as part of the **Fayum Depression** and man made canal that fed it from and parallel to the **Nile River** ___ today's **Nubians (ANU-bians)** of modern **Egypt and Sudan**.

The "Tera-neter" tile is predynastic being found by British Egyptologist W.M. Flinders Petrie (1853-1942) in the early temple at Abydos underneath the dynastic temple. The figure is on a green glazed faience. Petrie, famously known as "The Father of Pre-history". Petrie, excavations at Nagada and Ballas in Upper Egypt nearly 100 years ago unearth nearly 2200 ancient graves. He wrote over a thousand books, articles and reviews reporting on his excavations and his finds.

"The Aunu People. Besides these types, belonging to the north and east, There is the aboriginal race of the Anu, or Aunu, people (written with three pillars), who became a part of the historic inhabitants. The subject ramifies too doubtfully if we include all single-pillar names, but looking for the Aunu, written with the three pillars, we find that they occupied Southern Egypt and Nubia, and the name is also applied in Sinai and Libya.

As to the Southern Egyptians, we have the most essential document, a portrait of a chief, Tera-neter, roughly modeled in relief in green glazed faience, found in the early temple at Abydos. Preceding his name, his address is given on this earliest of visiting cards, "Palace of the Aunu in Hemen city, Tera-neter." Hemen was the name of the god of Tuphium (Lanz., Dict, 544), 13 miles south of Luqsor. Erment, opposite to it, was the place of Aunu of the south, Aunu Menti. The next place in the south is Aunti (Gebeleyn), and beyond that Aunyt-seni (Esneh).

The chief peculiarity of the figure is the droop of the chin; this is caused by a slanting jaw with short ramus. The same type of jaw is seen in the ivory king from Abydos, and moreover, the Scorpion king who preceded Nar-mer.

These figures are, then, the precious portraits remaining of the native pre-Menite kings of the south, and they are of a type certainly different from the dynastic type of the square-jawed Nar-mer (Mena) and his follows.

The difference of the slope of jaw in the Aunu people was illustrated by our researchers in the cemetery at Tarkhan. In dealing with the remains, the jaws were all photographed in position, and they show two groups of the slope of the lower edge as 20 and 28 to the horizontal.
