

“TABLE OF THE SUN”

exoterically an enigma of **HERODOTUS** in his **History Book II** citing the fabulous “**TABLE OF SUN**” in what he called **Ethiopia** beyond the first cataract at Aswan/Elephantine in **Southern Sudan**; and **esoterically** the **GARDEN OF EDEN** of the **ANU PEOPLE** of **MEROE**; then and still the world’s largest irrigated farm area located on the “**land island**” within the **Atbara** and **Blue Nile Rivers** and **Lake Tana**.

See **Map 7**.

Refer to **GARDEN OF EDEN**, **LAKE MOERIS**, **MEROE** and **SUSTAINABLE AGRI-FORESTRY** (see above).
