## C. THE FOUR RACES OF ANCIENT EGYPT/KEMIT

### GRAPHIC 2.2

THE FOUR RACES OF THE ANCIENT EGYPTIAN EMPIRE :: GEO-POLITICAL ECONOMICALLY COMPRISING THE "NINE BOW TRIBES" OF THE EGYPTIAN FEDERATION OF TRIBES (18 TH DYNASTY)

**GRAPHIC 2.2** above indicates the "**4 Races Of Humans**" recognized by Ancient Egypt/*Kemit* described below from right to left as follows:

- 1.) The **First Race** on the right facing right is the mysterious Dynastic **Dark Red "Hamitic" People** who invaded into the Nile River Valley in the late Predynastic-Demigod Period at about 10,000 B.C. called herein the **Theban Invader People** and ethnographically part of the **Hamitic** group.

They introduced mummification of the dead and the concept of body resurrection into Ancient Egypt/*Kemit*. They brought with them for the first time into Africa their cattle, horses, sheep, goats, hogs and other domesticated animals; which lead to the deforestation, desertification and ultimate fall of the Ancient Egyptian civilization. This race dominated much of the Ancient Egyptian *Dynastic-Human Period*. It includes the people of **Sheba** and **Punt**, which today dominate the modern countries of Ethiopia, Somalia and Eritria. A mixed blood people of **Scythians** and **Asian Indian Dravidians**.

- 2.) The **Second Race** from the right is the black African "**Anu**" **People** made up of four distinct Tribes of the **aNubians**, **Kush**, **Meroe**, and **Anu Antiu**; living respectively from the Delta to the Equatorial Great Lakes along the entire length of the Nile River.

THE EGYPTIAN MYSTERY "SCHOOL OF ON", VOL.  
BY GEORGE SINGLETON, ENLIGHTENMENT PUBLICATIONS, 2003 EDITION

“O great [Ennead \(9 Sun Gods and Goddesses\)](#) of the [Temple School of On \(literally ‘Temple School of the City of Annu of the North’\)](#) the **Sun God Atum**, Sun God *Shu*, Sun Goddess *Tefnut*, Sun God *Geb*, Sun Goddess *Nut*, Sun God *Asar* (misnomer Osiris), Sun Goddess *Ast* (misnomer Isis), Sun God *Seth* and Sun Goddess *Nephthys* ; which the **Sun God Atum** created by emanating them from itself, so the [Nine Bow \(Tribal Nations\)](#) were born as emanations from the **Sun God Atum** and can not be separated (from **Ancient Egypt/Kemit Proper**) ...”

This [Ancient Egyptian Mystery School of On \(Annu\)](#) sacred text from the Third Dynasty [Pyramid Texts](#) establishes the divine creation and maintenance of the **Ancient Egyptian Federation** of “**Nine Bow**” Tribal Nations’ crucial support role of **Egypt/Kemit Proper**.

**GRAPHIC 2.4** is the 18 th Dynasty Wall Painting of the Ancient **Egypt/Kemit Federation of Nine Bow Tribal Nations**. Conventional Egyptologists consider these nations as held in bondage as shown by their hands tied behind their backs. **Aboriginally**, these **Federation** members paid tribute to the [Annu Pharaoh](#) of **Egypt/Kemit Proper**. See [EXHIBIT IV-2](#).

From Right to left the “**Nine Bow**” Tribal Nations identified by hieroglyphs are:

- 1.) **HITTIA** (Caucasian/Ionian Greek people living in the areas now known as Turkey);
- 2.) **KUSH** (part of aboriginal black African [Anu Peoples](#) of the Nile River cataract 3);
- 3.) **MITTANI** and **NEHARRIA** (2 mysterious and distinct peoples living together; the *MITHRA ANNU* people of the country of [Mittanni](#) of various mixtures of Asian Dravidian, black African and Ishmael Semitic peoples and the **Neharrian (Harrian)** people of a mixture of Caucasian and Asian Orientals; **esoterically** Mittanni joined the Upper Egyptians and ousted the [Hyksos](#) Invaders founding the 18 th Dynasty and furnishing the legendary 18 th Dynasty Queens including Queens Hatshepsut, Tiy and [Nefertiti](#));
- 4.) **MEROE** (part of aboriginal black African [Anu Peoples](#) of the Nile River cataract 6);
- 5.) **KEFT** (Phoenicia and her coastal city states who thru the mercenary mysterious "Hyksos Shepherd Kings" (Israelite Semitic people) overran Lower Egypt for centuries until later ousted and enslaved in Egypt/*Kemit* by the founders of the 18 th Dynasty);
- 6.) **ANU ANTIU** (part of aboriginal black African [Anu Peoples](#); of the legendary *Ta Neter*, “land of the gods”, [Khenthunnefer](#) identified partly today with the Dafur Province region of Sudan, Africa and the Nile River Central Great Lakes);
- 7.) **LIBYA** (including Carthage and pre-cursor of the later Spanish race);
- 8.) **ANU SETHET** (“[Nubia](#)”, black African [Anu Peoples](#) of the cataract less Nile River); and
- 9.) **SHA ANSU** (“Israelite” or Hebrew segment of the Semitic peoples including Jewish and Arabian Peoples of the Sinai, Palestine and Southern Mesopotamia).

[Esoterically, a united Egypt/Kemit proper existed in the Predynastic Period and](#) in addition was the center of a **Federation of 9 Tribal Nations** called the “**Nine Bow**” that helped secure its physical and financial theocratic security.

The **Egyptian Federation of Tribal Nations** or "**Nine Bow**" was the military and socio-political economic foundation of **Egypt/Kemit Proper** of nine (9) multicultural, multi-racial tribal nations initially united by common bond to the [Ancient Egyptian Mystery School of On \(Annu\)](#) and the wondrous [civilization of Ancient Egypt/Kemit](#).

## **E. THE BLACK AFRICAN ANU PEOPLES**

Sometime during the *Predynastic-Human Period* the **Egyptian Federation of "Nine Bow" Tribal Nations** was implemented by and founded upon [the backbone of the 4 Black African Anu Peoples](#). These **Anu Peoples** numbered right to left as they appear in the "Nine Bow Tribe" Wall Painting, [EXHIBIT IV-2](#) and location specified along the **Nile River Valley** are as follows:

- \* as **Nine Bow Tribe #2** the [KUSH](#) at Nile River cataracts #3 & #4;
- \* as **Nine Bow Tribe #4** the [MEROE](#) at Nile River cataracts # 6 through #8, as "the land island" between the **Atbara** and **Blue Nile Rivers** and northern most **Lake Tana**;
- \* as **Nine Bow Tribe #6** the [ANU ANTIU](#) of Equatorial Africa Central Great Lakes; and
- \* as **Nine Bow Tribe #8** the [aNUBIANS](#) from the **Nile River Delta** to cataract #1 of **Egypt/Kemit proper** and the Northern Sudan of today.

Esoterically these **four (4) tribal nations** were originally founded by the [Ancient Egyptian Mystery School Of On \(Annu\)](#), and collectively operated as "**ONE SUPRA-NATION UNDER THE GODHEAD ANNU**"; each with a lead responsibility for maintaining a specialized "**national security**" function of safeguarding a key "[Egyptian/Kemit Sacred Science and Annu Cultural](#)" element. This was carried out by [SUN PEOPLE](#) that served as the core that kept the **Federation of Egypt/Kemit Proper** operational for over 8,000 years through countless invasions, wars, civil wars and natural disasters as follows:

- 1.) the [ANNU ANTIU \(Great Lakes of Nile River\)](#); were aboriginal recipients of a.) cosmogonic, cosmographic, cosmic-chronological and cosmic historical and b.) meta-socio-political economic science, meta-physical science, meta-biological science, meta-spiritual and "HU-manistic" ontological knowledge via all [42 BOOKS of THOTH \(HERMES\)](#) from the [TWA PEOPLE](#) [commonly called African Pygmy People who had migrated to Africa upon the successive destructive geological disturbances on the legendary island continent [ATLANTIS](#)]; surviving members known today as the [DOGON](#)/[DOGANU PEOPLE](#) of Mali, Africa;
- 2.) the [MEROE \(cataracts 6 - 8 of the Nile River in Sudan including Lake Tana of SHEBA/Abyssinia today called Ethiopia\)](#) were the aboriginal recipients of meta-commercial and economic science via the relevant 42 **Books Of Thoth (Hermes)** from the **Twa People** maintaining a.) the largest [Garden/Sustainable Agri-Forest](#) in the world then called the "[TABLE OF THE SUN](#)" by [HERODOTUS](#) and its international commerce; and b.) producing and trading products to and from the other tribal nations and nations of the world via land route camel caravan and ocean route star map guided ships of the black Africans of Lake Tana in Southern Sudan and "lowlands" of Ethiopia;
- 3.) the [KUSH \(cataracts 3 & 4 of the Nile River. which ancient historians like Herodotus called "Ethiopia", today called the Sudan\)](#) were the aboriginal recipients of a.) meta-governmental, diplomatic and b.) military sciences via the relevant 42 **Books Of Thoth (Hermes)** from the **Twa People**; including having the best infantry and specialized troops, commanders, strategy and military hardware; today's black Africans **Fur People** of **Dafur Province, Sudan**;
- 4.) the [ANU SETHET or "aNubians"](#) (Nile River Delta through cataracts 1 & 2 ) were the aboriginal recipients of the meta-spiritual, meta-educational and meta-cultural arts and sciences plus the balance of the 42 **Books Of Thoth** from the **Twa People** including: a.) the establishment and security of the [main temples](#) and [campus](#) of the **Ancient Egyptian Mystery School Of On (Annu)**, and its [Priesthood and Priestesshood](#); b.) the protection and teaching of the School's 42 curriculum **Books Of Thoth** and c.) operation of the largest [Garden/Sustainable Agri-Forest](#) in **Ancient Egypt/Kemit Proper** called [Lake Moeris](#) ;

c.) the operation of the esoteric [Aten Path](#) spirituality system; d.) the creation of a social religion based on the Sun God Ra and e.) maintenance of the **Ancient Egyptian Mystery School of On (Annu)** campus and classrooms and spiritual [Aten Path](#) initiation supra-structure at Giza including the [SPHINX/HU natural rock sculpture](#) and the [Great Pyramid](#) \_\_\_\_ today's Nubians (ANU-bians) of modern Egypt and Sudan.

The premise that the [4 Anu Peoples](#) of the "Nine Bow" Tribal Nations of aNubia (**Anu Seth**), **Kush**, **Meroe** and **Kenthunnefer (Anu Antiu)** were the aboriginal founders and core of ancient **Egypt/Kemit** is supported by the Historian [HERODOTUS](#) in his [History, Book II](#) as follows:

“ ... we can show that there was once no country for the Egyptians; for we have seen that (as the Egyptians themselves say, and as I myself judge) the **Delta** is alluvial and but lately (so to say) come into being... I hold rather that the Egyptians did not come into being with the making of that which the (Ionian Greeks) call the **Delta**: that they [the Egyptians] ever existed since men were first made; and **as the land grew in extent many of them spread down over it, and many stayed behind**. Be that as it may, the **Theban province**, a land of six thousand one hundred and twenty (6,120) furlongs in circuit, **was of old called Egypt.**” (paragraph 15)

“... Egypt is all that country which is inhabited by Egyptians ... we shall consider all Egypt, **down from the [8 Nile] Cataracts and the city of Elephantine** <sup>10</sup> [footnote 10 On the Island opposite Syene (Assuan/Aswan)], to be divided into two parts ... For the Nile, beginning from the [8 Nile] Cataracts, divides Egypt into two parts as it flows to the sea.” (paragraph 17)

“ ...the extent of Egypt ... is attested by the answer which (my judgment being already formed) I heard to have been given concerning Egypt by the oracle of Ammon. The men of the cities of Marea and Apis, in the part of Egypt bordering on Libya, thinking themselves to be not Egyptians but Libyans, and misliking the observance of **the religious law which forbade them to eat cows' flesh**, sent to Ammon saying that they had no part or lot with Egypt: for they dwelt (said they) outside the Delta and did not consent to the ways of its people, and they wished to be suffered to eat of all foods. **But the god forbade them: all the land, he said, watered by the Nile in its course was Egypt, and all who dwelt lower down than the city Elephantine [the 4 Anu Tribes of the "Nine Bow"] and drank of that river's water were Egyptians.** Such was the oracle given to them” (paragraph 19).

**NOTE:** That according to the [Herodotus](#) the original **Anu Peoples** and [Annu Culture](#) of **Egypt/Kemit** followed the spiritual dietary law of the [Ancient Egyptian Mystery School of On \(Annu\)](#) which forbid as did the sister **Mystery School of Asian India** the eating of the flesh of cattle and other animals and were at minimal and best [vegetarian/vegan](#).

Thus in the Ancient Egyptian *Predynastic Human Period* the "Nine Bow Tribal" Federation was founded and dominated by the **Anu Peoples** of the "Second Race". [French Egyptologist Abbe' Emile Amelineau](#) was the first to discover and publish in his books of 1902 and 1916 that the black African **Anu People** were the *aboriginal Ancient Egyptians*. This scholastic courage cost him his reputation and research support at the hands of racist conventional Egyptologists. To this day his scholastic findings and courageous conclusions are ostracized and ridiculed by the world's conventional Egyptologists.

In the *Dynastic Human Period* the [Ancient Egyptian "Nine Bow Tribal" Federation](#) was dominated primarily by the invading [Dark Red Hamitic People](#) the "FIRST RACE"; while the **Federation** was constantly secondarily domination challenged by its founding **Anu People** the "SECOND RACE". The **Dark Red Hamitic People** had invaded **Anu People** controlled Ancient Egypt/Kemit from out of Asia Minor during the final stages of the Ancient Egyptian *Predynastic Human Period*; symbolically recorded in [the Ancient Egyptian war and civil war mythologies of the "Horus-Seth Wars", the Osirian \(Osiris & Isis\) tales](#) historically recorded on **Narmer's Palette** presented in [EXHIBIT I F-1](#) and [EXHIBIT I F-2](#).
