

EXHIBIT I_F-3: [Annu King](#) "Narmer's Palette" - Obverse (Top) Side:
Enlargement of [Annu High Priest](#) and [Annu King Narmer](#)

3. BLOWUP OF FAR LEFT UPPER LEVEL OF NARMER'S PALETTE'S OBVERSE SIDE

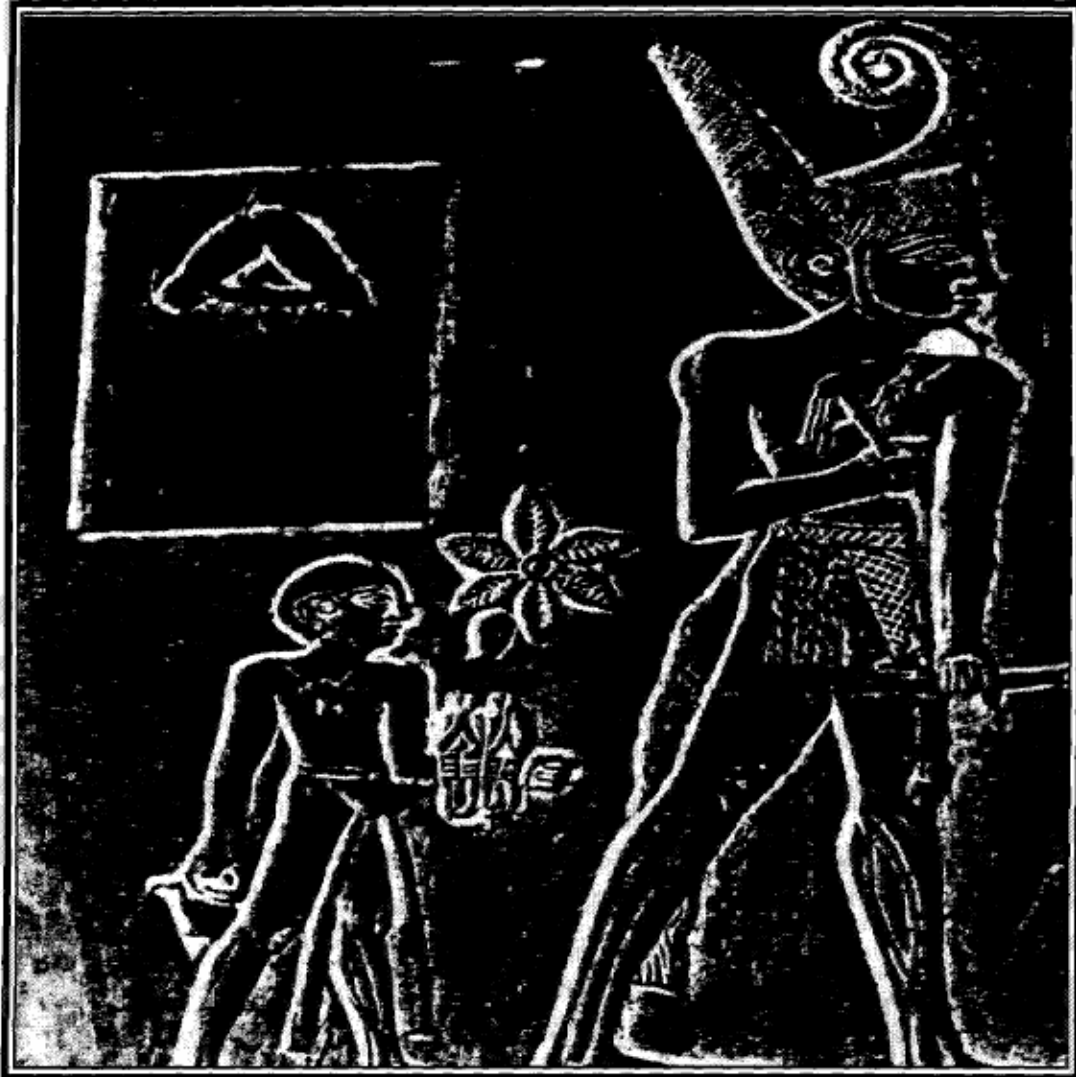

EXHIBIT NOTES:

- King [Narmer](#) is of the [Annu Peoples](#) with his kilt and [Sun Goddess Het Heru](#) cow tail. He is an [Annu King/Pharaoh](#). NOTE the similarity of his dress to that of the [Lion Hunters](#) in [Exhibits I-K](#); the dress of King "Scorpion" in [Exhibit I J](#) and the dress of the unknown King in [Exhibit I G](#).
- The [King Narmer](#) seems also to be wearing a leopard skin smock with a lion paw over his left shoulder indicating he is an alumni of the [Ancient Egyptian Mystery School of On \(Annu\)](#) and an adherent of its [Aten Path](#) as is also the unknown King in [Exhibit I-G](#). Thus he too is an [Annu King](#).
- Two types of [Ancient Egyptian Mystery School of On \(Annu\) Priests](#) are shown on [Narmer's Palette](#); i.e. the ritual libation water carrying [Annu High Priest](#) and the [The Master Priest](#). [Narmer's Palette](#) is conservatively dated at circa 2,925 BC. and more likely older than 4,250 BC. indicating that the [Ancient Egyptian Mystery School of On \(Annu\)](#) is truly "ancient" having a much greater antiquity and Predynastic origin.
- The similarity of dress between the [Annu Priest "Tera Neter"](#) in [Exhibit I E-1 2](#) to the [Annu High Priest](#) standing behind the Pharaoh above is striking. It is concluded they both are [Annu High Priests](#) handling outer spiritual ritual duties as opposed to the [The Master Priest](#) who handles the inner spiritual [Aten Path](#) responsibilities of the [Ancient Egyptian Mystery School of On \(Annu\)](#).
