4. BLOWUP OF MIDDLE LEFT UPPER LEVEL OF [NARMER’S PALETTE](#) – OBVERSE SIDE

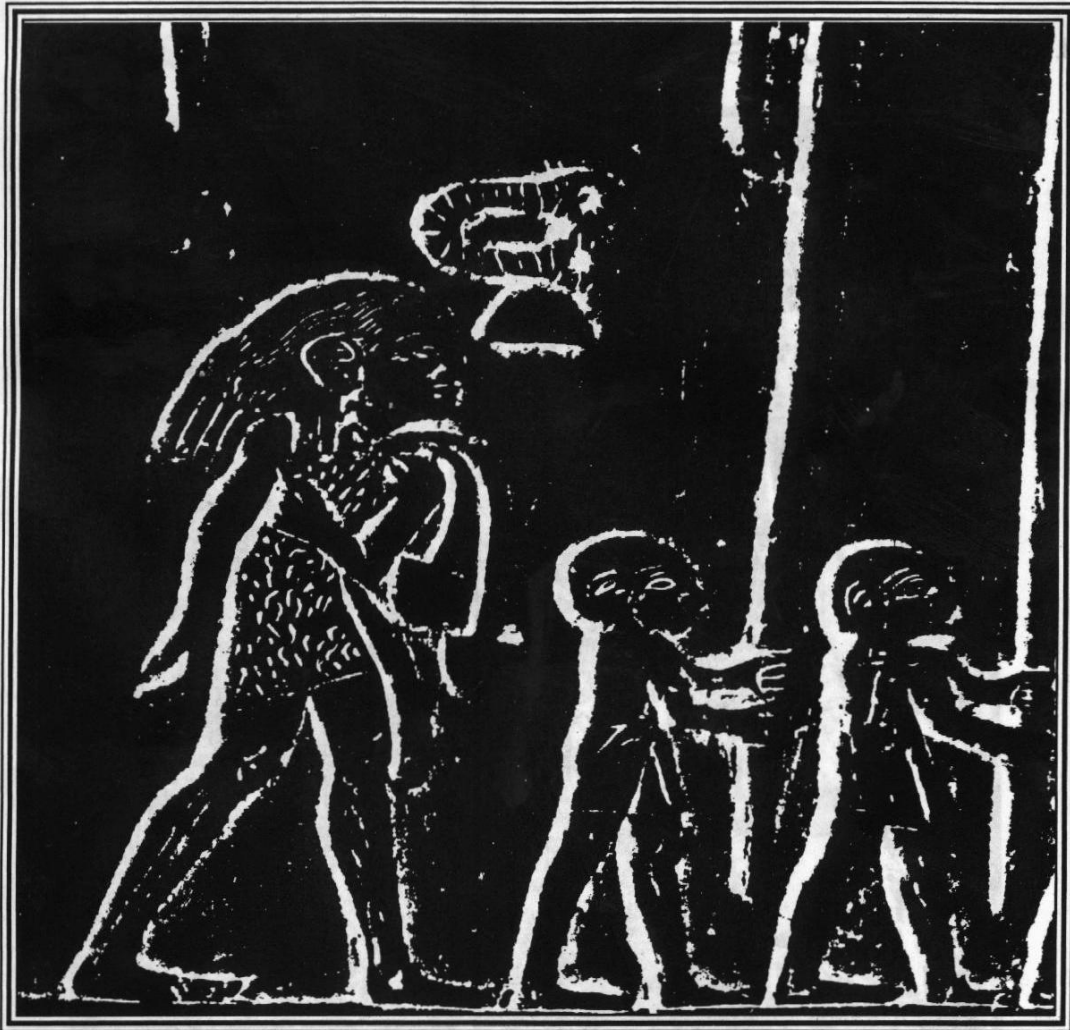

EXHIBIT NOTES:

- **Note** the man wearing a [Annu High Priest’s leopard skin smock](#) with [dreadlocked hair](#) is an [Aboriginal Rastafarian](#). He is the second in stature (size) preceding **King Narmer** and thus second most prominent in the royal procession. The hieroglyphics in front of him transliterates into the word “[Thet](#).” [The Thet](#) according to E. Wallis Budge’s [Egyptian Hieroglyphic Dictionary](#) means he is one of the “[learned men, the sages of the house of life, the learned men of the college attached to the temple \(emphases added\).](#)”
- [Esoterically the “college\houses of life” means the Egyptian Mystery School of On \(Annu\).](#) This man is a **Thet High Priest** of the **Egyptian Mystery School of On (Annu)**. As indicated by the **“two cords ending in half circles”** extending down from his left shoulder he is the Highest of its High Priests being the **Spiritual Master** of the [Aten Path](#) the [Thet Master Priest](#). Compare with [EXHIBIT III A-1](#) showing the [Pharaoh Amenemhet III](#) with the same **“cords in half circle.”**
- The **Thet Master Priest** initiated practitioners of the [Aten Path](#) of which the [Annu \(Priest\) King](#) was the leading deciple. Compare to [EXHIBIT I E-1 2](#) and [Aten Path](#) practitioners meditated on the [Annu Khet](#) [symbolized as the circular cross or [Ankh](#) or stream of cosmic creative life energy, known in other spirituality systems as the word/logos or [shabd, naam](#) or “inner lighted sound” identical to the [Surat Shabd Yoga](#) of today] as the core of its “system of soul salvation” and communed with the [hierarchal Sun Gods](#) until they reached the [Supreme Being, the Most High God, the Godhead Annu.](#)
- The **Ancient Egyptian Mystery School of On (Annu)** was established by the [Anu Peoples](#) in the **Predynastic Period** of Ancient Egypt/*Kemit*. **Annu King Narmer** conventionally is identified as the first [Pharaoh Mena](#) of Dynastic Egypt. Esoterically he is Predynastic by two lines of kings, i.e. part of Manetho’s dynasty of the demigods [the “Souls of Annu” or “Shemsu Heru”.](#)
