

## SCIENCE OF SPIRITUALITY HEAD SANT RAJINDER SINGH JI MAHARAJ

**SANT RAJINDER SINGH** is internationally recognized for his work toward human unity through spirituality, giving talks and meditation seminars worldwide. Advocating a balance between inner and outer life, he encourages people to fulfill their responsibilities to family and society while pursuing a spiritual life of inner contemplation and personal development. Spirituality, he says, is accessible to everyone.

**Sant Rajinder Singh Ji Maharaj** is the spiritual head of the **Science of Spirituality** and was president of the Seventh **World Religions Conference**. The **Science of Spirituality** has over 950 centers worldwide. **Sant Rajinder Singh** travels extensively throughout the world holding meditation seminars and conferences. He convenes annual global conferences to promote peace and unity, such as the **International Conference on Human Integration** and the **Global Conference on Mysticism**. He was a major presenter at the 1993 **Parliament of the World Religions** in Chicago.

He convened the Seventh **World Religions Conference** held in 1994 in Italy, in which the first “**Spiritual Dialogue on Meditation, Prayer, and Nonviolence**” was held. He has met **Pope Paul II** and shared dialogue with representatives of the world’s major religions and religious institutions. Most recently, at the **Cathedral of St. John the Divine** in New York, he participated in “**Visions for the 21st Century**,” a program honoring the 50th anniversary of the **United Nations**.

Born in India, **Sant Rajinder Singh Ji Maharaj** received his spiritual education from two of India’s spiritual giants: **Sant Kirpal Singh Ji Maharaj** and **Sant Darshan Singh Ji Maharaj**. He took his **MS degree in engineering** in the United States and had a distinguishing career in computers and communications. Focusing on the integration of science and spirituality as a means to bring about peace and enlightenment, he presents the spiritual science in a direct and clear manner.

**Sant Rajinder Singh** is honored by civic, religious, and social leaders wherever he goes and has received numerous honors and tributes for his work towards peace. He is the author of several books including *Ecology of the Soul*, *Education for a Peaceful World*, *Visions of Spiritual Unity and Peace*, *Spirituality in Modern Times*, and a soon-to-be-released book on how to meditate to bring about peace. He has written hundreds of articles that appear in magazines and newspapers in over fifty languages throughout the world and has appeared on numerous television broadcasts and on radio. People can learn meditation from him during his world tours and at programs that he holds at the international headquarters at **Kirpal Ashram** in Delhi, India, or at the **Science of Spirituality Center** in Naperville, Illinois, United States.
