- e. No “Phut” geneology is presented by the Bible continuing the mystery coverup of its peoples’ location contiguous to *Ta Neter*, the ‘Land of the Gods’ and home of the ancestors of the Ancient Egyptians. Esoterically, Biblical *Phut* is the *Punt* of Ancient Egypt/*Kemit* or modern day Eritria. The Queen Hatshepsut Expedition to Punt crossed over *Punt* and *Sheba* modern day Ethiopia to reach *Khenthunnefer* of the Nile Great Lakes and thus birthplace of the black African Anu Peoples. See [Exhibits IV-A through IV-G](#) and [Chapter Two Section F](#) herein.

The nemesis of the balck African Anu Proples of Ancient Egypt/*Kemit* they continued to raid directly and invade it over 10,000 years until it destroyed ii via its spin-off nations of Persia, Macedonia and Rome.

The *Scythian* (white) **race** of Europe\Asia culture was the Bible Genesis “snake” culture of the *Garden of Eden* (*Aten*), also called Magog and Gog with its pastoral animal herding, paternalistic and female exploitative societal practices, exemplified in the cities of Sodom and Gomorrhea; with alcohol-based sorcery sexual orgy religious practices carried out by a bi-sexual priesthood and prostitute-based priestesses bent on the *total* exploitation of the earth and annihilation of the original lifestyle of humans and their sustainable gardening environment of prosperity.”

Esoterically the Hamities and Theban Invader peoples into Ancient Egypt as well as the Hyksos and related spin off Hebrew peoples and Babylonia were mixed blood Scythian related people. The [Scythians](#) “disappeared” melding into the Roman Republic in the 8 th Century BC and then later along with Macedonia’s King Alexander the Great armies which conquered Persia and Ancient Egypt/*Kemit* in the 4 th Century BC.
